CONSENT FORM FOR SCHOOL TRIPS AND OTHER OFF-SITE ACTIVITIES

Please sign and date the form below if you are happy for your child:

_____ (name of child) in class:_____,

a) To take part in school trips and other activities that take place off school premises; and

b) To be given first aid or urgent medical treatment during any school trip or activity.

Please note the following important information before signing this form:

- The school will always send you information regarding every trip or activity to ensure you are fully informed.
- The trips and activities covered by this consent include:
  - educational trips and enrichment activities away from the school site during the school day
  - trips that may return after the traditional end of the school day
  - trips organised as part of a club that your child attends
  - off-site sporting fixtures both during the week and at weekends
  - off-site musical performances
- You can, if you wish, tell the school that you do not want your child to take part in any particular school trip or activity.

Written parental consent will therefore not be requested from you for the majority of off-site activities offered by the school – for example, year-group visits to local amenities – as such activities are part of the school's curriculum and usually take place during the normal school day.

Please complete the medical information section below (if applicable) and sign and date this form if you agree to the above. This consent will remain valid for the entirety of your child's time at Kingmoor Junior School. Thank you
